

DISGUISE
FRAGRANCES

'A wonderful fact to reflect upon, that every human creature is constituted to be that profound secret and mystery to every other.' - Charles Dickens, author

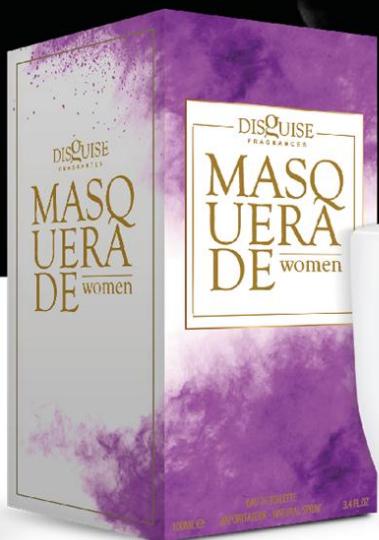

Dickens' idea of mystery 'makes sense' when you 'make scents' too. Which is why when we got down to creating our line of fine fragrances, we bottled it with a huge element of 'suspense' too! The Disguise Fragrances range conjures an unmistakable air of dark secrets and smoky suspense... and the whiff of a clandestine love affair. An exhaustive array, the Disguise fragrance profile appeals even to the most diverse scent connoisseurs.
